DESCRIPTION:

Pro-Solve Gel is a sophisticated solvent gel that dissolves a very wide variety of substances including: Paint, nail polish, tar, gum, grease, and many other difficult substances.

DIRECTIONS:

1. Holding lid closed, shake vigorously before use.
 2. Apply gel to contamination and agitate gently with bone scraper or spatula.
 3. When contamination is dissolved hot water extraction rinse to remove residue.
- TIP:** For even better performance, apply Power Gel and agitate after step 2 and before step 3.

CAUTION: FLAMMABLE. Keep away from flame or other ignition source. As with all cleaning chemicals test inconspicuous area for compatibility and color fastness before use.

Contains: Proprietary solvent blend.

Avoid skin contact. Do not get into eyes. Do not ingest. Avoid breathing fumes. Use in well ventilated area.

PERSONAL PROTECTION: Protective gloves and eye protection are recommended.

FIRST AID: Skin contact: Wash thoroughly with soap and water. Eye contact: Flush eyes liberally with water for 15 minutes. If irritation persists consult physician. Inhalation: remove to fresh air, call physician if irritation persists. Ingestion: Call physician immediately.
