RULES

All applications for credits must be witnessed by the sponsoring organization. This can be accomplished by signature of organization official or submission of a verified attendance form (your passing grade email conformation from Jon-Don’s testing system).

All applications must be submitted on the official IICRC application form which requires signature of an organization official.

Applications for approval of events must be made on the IICRC official form, in writing and presented to IICRC 30 days prior to the date of the event. No exceptions will be made.

Applications for approval will be processed by the IICRC Registrants Standards Committee. No other authorization will be accepted.
