

UNITEX TOUCH-FREE BULK DISPENSERS

HANDS-FREE HAND HYGIENE

Promoting hand hygiene has never been more important. With a contoured exterior and distinct contrast between high gloss and matte finish, Unitex Touch-Free Dispensers offer a sleek design that will complement the ambiance of any facility. These units are made from durable ABS material that resists damage and is easy to clean.

They will hold up to 1,000 mL of your preferred hand soap or sanitizer with no special bags to buy or nozzles to replace. Available in foaming or gel/ lotion options, Unitex Touch-Free Dispensers are ideal for use in restrooms, offices, schools, healthcare facilities, and anywhere hand hygiene is needed.
