DESCRIPTION:

ARA is designed to prevent rapid re-soiling of fibers.

Rapid re-soiling is usually caused by a sticky substance or dirt that wicks up after a carpet has been cleaned.

ARA acts as a drying agent that changes these sticky substances to dust that will not attract dirt and can be vacuumed away.

DIRECTIONS:

1. Clean the carpet using a cleaning technique that leaves the carpet as dry as possible.
2. Immediately following cleaning, spray an even coat of ARA onto the carpet in areas where rapid re-soiling is a problem.

The quantity applied should be approximately 1 oz. ARA per 3 square feet of carpet.

3. After the carpet is completely dry, vacuum these areas very thoroughly with an upright "rotating brush" type vacuum.

Always test in an inconspicuous area for color-fastness and suitability prior to use.

ARA

ANTI-RE-SOILING AGENT

For Professional use only. Keep away from children. Read Instructions and Cautions on Side Panel.

1 US Gallon (3.785L)

PH: 7
VOC Compliant

**PRO'S™
CHOICE**

CAUTIONS:

THIS PRODUCT CONTAINS:

Wick Stop™, octylphenoxypolyethoxyethanol, and essential oils

HEALTH AND SAFETY INFORMATION:

Do not ingest.
Do not get into eyes.
Use in well ventilated area.

EMERGENCY AND FIRST AID PROCEDURES:

FOR EYE CONTACT: Rinse liberally with water for 15 minutes. If irritation persists contact physician.
FOR INGESTION: Call Physician.

Read MSDS available at www.proschoice.com for complete information.
