

# For Oil Based Stains that Refuse to Budge!

An **ESSENTIAL** in any cleaner's **SPOTTING TOOLBOX.**

For oil-based stains that refuse to budge, try Matrix Breakdown POG. Breakdown works quickly to remove even the most stubborn oil, grease, paint, tar, and lipstick spots on carpeting. Plus, treated areas dry fast, so you save time on every job. Unlike other POG removers, Breakdown can be rinsed with water and it never leaves behind an oily ring – just clean, spot-free carpet.

Matrix Breakdown is available in gallons and 12-ounce bottles, and also in cases of each.

### Included in the Matrix Professional Spotting Kit

Other spotters included in the kit: ASR (Advanced Stain Remover), Red Be Gone, Target Tannin, Orange Power Gel, Spot Out, Ink Away, Release, Rust Eradicator and Reducing Agent. The spotting kit also includes a very easy to understand, step-by-step spotting chart that makes removing tough stains a breeze.
